

Traineeship in the Harvesting and Haulage Industry

The Certificate III in Harvesting and Haulage is delivered to those employed in the Harvest and Haulage Industry under a formal Training Agreement arrangement with the employer and LITA Training. Trainees will develop industry skills and knowledge across a wide range of topics in order to progress their career within this popular local Industry. Trainees will learn about product quality and care, gain in depth knowledge of health, safety and environment policies and procedures and use of a variety of infield machines.

ENTRY REQUIREMENTS

Applicants will need to be physically fit due to the nature of the work and will be required to be employed in the Harvesting and Haulage Industry and are interested in a Traineeship arrangement. It is desirable that applicants hold a minimum of a class "C" (car) licence as considerable amount of travel is involved in this Industry. All applicants will undertake a short assessment to determine whether this is the best course for their needs, including language, literacy and numeracy skills. Where learning needs are identified, LITA Training may offer you additional support or refer you to a more suitable course.

COURSE HIGHLIGHTS

- Earn whilst you learn – traineeships offer employment whilst you are studying
- Gain industry skills and knowledge
- Enhanced career prospects
- Improve communication skills to effectively collaborate with other workers
- Understand industry requirements and available opportunities

This training is supported by the Government of South Australia. The student's tuition fees are as published and are subject to change given individual circumstances. This nationally recognised qualification is delivered by LITA Training RTO Number: 0577 which is responsible for the quality of all services, with HLTAID003 delivered by St John's Ambulance RTO Number: 88041. This qualification provides the skills and knowledge to the industry standard. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.
